Celestial Power!

In a world of powerful celestial beings, an epic contest is being held to select the next king! Each Celestial selects a bid in junior high to be his champion and grants him a special power. The kids battle it out—losers are eliminated and winners are granted new talents!

Welcome to Dogura Maasien—amusement park of the underworld! Ueki and his allies have entered a dandy game against five members of Robert's 10 in a mial-battle tournament! Set in five funky fields, two bouts have already been fought, with one win for Ueki's team and one draw. And for some reason, Ueki's old pal Seichiro Sano is fighting for the other side in this one. What's a tree-loving do-gooder like Ueki to do?

The inspiration for the hit anime!

Tsubasa Fukuchi

Recently I've been thinking that...
"Ikkyu-san is really great!"
Original and astonishing ideas pop out
One after another
From his bald head...
Maybe I should shave my head?!

(Fukuchi is probably referring to Ikkyu-san, a popular anime series from the '70s and '80s. Ikkyu, son of the Emperor Konatsu, is separated from his mother at an early age and enrolled in a monastery, where he becomes a precocious young Buddhist monk. Based loosely on the childhood stories of a famous 14th-century monk and poet, Ikkyu-san is known for his quick wit and ability to come up with clever, unexpected solutions to problems. --Editor)
